

Why Colorado Real Estate Journal?

The Colorado Real Estate Journal is the only commercial real estate newspaper in Colorado and is published twice monthly. Our print and digital editions, including six quarterly publications, provide in-depth coverage of the office, multifamily, retail, industrial, health care, senior housing, hospitality and land markets, along with property management, finance, law & accounting, and construction, design and engineering news. CREJ also includes an industry directory of leading Colorado commercial real estate professionals and services.

CREJ also hosts more than a dozen commercial real estate conferences annually, reaching audiences of up to 600.

Our publications, events and website are packed with valuable information and resources to benefit your business. CREJ has been a proven way to reach the Colorado commercial real estate community since 1992.

Total Circulation

10,000

Newspaper readers: For 2022, in addition to the print edition, we will be lifting the paywall from our digital edition giving all 10,000 plus industry professionals in our database free access. By taking down the paywall, advertisers will now have exposure to all subscribers working from home and to our entire database.
