HEALTH CARE, MOB & LIFE SCIENCES QUARTERLY

Colorado's Only Health Care & Life Sciences Properties Publication

This quarterly publication covers all health care-related property types, including hospitals, medical office buildings, specialty centers, ambulatory surgery centers, stand-alone emergency departments, urgent care centers, skilled nursing facilities, long-term acute care facilities, senior housing, rehabilitation and wellness centers, and other real estate involved in the continuum of care. The publication covers topics and issues related to development, investment, finance, construction, TI, design, leasing, property management, law and valuation, as well as market conditions and factors. Additionally, the scope of the publication has been newly expanded to include the fast-growing life sciences real estate sector, which encompasses a wide spectrum of facilities, labs, manufacturing space and critical environments for a broad range of companies and medical fields including biotechnology, pharmaceuticals, biomedical technologies, nutraceuticals and manufacturing of biomedical devices. The publication is mailed with the Colorado Real Estate Journal newspaper, whose distribution includes developers, investors, brokers, lenders, contractors, architects and property managers.
